Parish EBurch, Oswestry.

PHOTOGRAPHS OF MEN WHO HAVE FALLEN IN BATTLE —I am very anxious to get a complete set of photographs of men from this parish who have fallen in the great War. The intention is to have them placed in an Album to be kept in church.

I should be very grateful to friends or relatives of fallen soldiers and sailors if they could give me a photograph of their friend for this purpose. It is important that on the back of the photographs the following particulars should be written in the order given :—1, Christian name; 2, Surname; 3, Rank; 4, Regiment; 5, Home Address; 6, Age; 7, Whether killed in action, died of wounds, or sickness; 8, Where; *i.e.*, in France or Mesopotamia, etc.; 9, Date of death; 10, Add where buried if place is known.

I am sure such a record will be a possession that the church will greatly value and treasure, and I shall be very grateful to all friends who will give all the publicity they can to this notice, and render such help as they can in securing the photographs and information which will we think be willingly given by those most concerned if their attention is drawn to the matter. For choice we should prefer a photograph in uniform when possible.

M. LUTENER.
